Hurray for Wabbits!

A whole year, all for me! Best present ever! <3

NotaGirl promises to wear her poodle skirt tonight. Her *zombie poodle* skirt. She made it herself. It's to die and eat brains for.

International Year of the Wabbit, yaaayyyz!

Oooh, I hope this means work will require us to go only to places with beaches. Warm beaches. Where we will have to drink foofy rum drinks with umbrellas in 'em.

I got you a brick for your birfday.

The gift that keeps on giving! And also gives to your friends who stop by...

But nah, perfect as that is, I thought I'd go for something a Wabbit might need but not think to get for herself.

Nerf brick! I can throw it at the Cowboy when he talks about trucks!

Hmmm. Briefing room...

Hippo, birdie, two ewes!

(I was going to wish you a harpy birthday, but that would have been too confusing.)

I'm so late! I hope you see this anyway, Wabbit--I hope it was a lovely one.
